

*Renée Crown University Honors Program*  
Crown, Wise-Marcus 50-Year Friendship  
2007-2008 Award Recipients

**Michael Bagnall**  
Chemistry

Crown Scholar

*Synthesis and Characterization of Novel Lightweight Metal-Organic Framework Materials for Efficient Hydrogen Storage & Release*

**Seung-Hyun Chun**  
International Relations and Political Science

Crown Scholar

*Korean - Chinese Politics*

**Megan Hirshberg**  
Biology

Crown Scholar

*The Effects of Urbanization on Internal Parasite Load and Plumage of the Common Yellowthroat Warbler*

**Danielle Houghton**  
Biology and Television-Radio-Film

Wise-Marcus Scholar

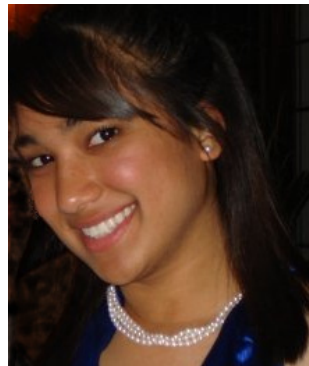

*Documentary on Research Regarding Plant Invaders*

**Paula Kinev**  
Music Performance and Music History

Crown Scholar

*Natural Horn Performance in the 19th Century*

**Sukeerti Kesar**  
Biochemistry

Crown Scholar

*Novel, Effective Hydrogen Storage Materials*

**Megan Anne Larson**  
Biology

Crown Scholar

*Evolution of Polyploidy in *Heuchera Cylindrica**

**Morgan Leykam**  
Geography and Art

Crown Scholar

*Urban Planning in Bangalore, India*

**Michelle McClafferty**  
Religion, Sociology and  
Policy Studies

Crown Scholar

*Religious Implications of the  
Berlin Wall*

**Alyssa McIntrye**  
Biology

Crown Scholar

*The Craniofacial Evolution of  
Lake Malawi Cichlids*

**Erin Mulvehill**  
Photography

Crown Scholar

*The World Through Young  
Eyes: A Non-Profit Photo/Es-  
say Book in Collaboration with  
Children Around the World*

**Elizabeth Nagle**  
Biochemistry and His-  
tory

Crown Scholar

*Mono-and Heterobi-mettalic  
Compounds*

**Amy Otuonye**  
Chemistry

Crown Scholar

*The Design and Synthesis of  
Multifunctionalized Gated  
Nanoporous Materials for  
Adsorption and Controlled  
Release of Drugs*

**Sofia Pablo-Hoshino**  
Mathematics

Crown Scholar

*Ethnomathematics in the  
Dominican Republic*

**Stasya Panova**  
Painting

Crown Scholar

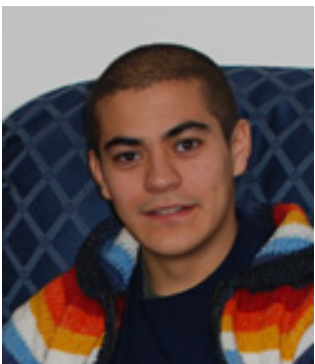

*Notions of Home, the Joint  
Exhibition and Visual Travel  
Log of Stasya Panova and  
Elody Gyekis*

**Sara Silkwood**  
Illustration

Crown Scholar

*Documenting a Personal  
Experience in Alaska through  
Sketches, Painting, Photogra-  
phy and Journals*

**Thomas Stewart**  
Biology

Crown Scholar

*The Evolution and Design  
of Asymmetrical Feeding  
Mechanisms in Lake  
Tanganyika Cichlids*

**Susan Vroman**  
Biochemistry  
and History

Crown Scholar

*The 1918 Influenza Pandemic*
