3) The search box at the top right, enter 'Honors' and hit 'Go'

4) It will not look like a link, but if you click the blue bar with 'Honors' in the title, the system will load all the Honors 'service members'

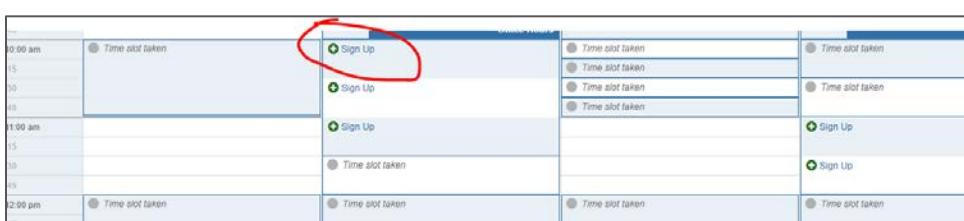

As of Fall 2017, Karen, Hanna, and Naomi (who are the primary Honors advisors) are all set up with available appointment times in Orange Success (*Butters mostly takes walk-ins, and he will see you even if you have an appointment with someone else*).

Click the 'Schedule Appointment' link to book one of their calendars.

You will be taken to an overview of available times that you can sign up for.

Click on the timeslot you need and follow the prompts to sign up.

When you arrive at your appointment, be sure to swipe in at the front desk.

Also, remind your advisor to check you in when you sit down in her office.
